Classes

Unpattern Classes

\$40 if materials are purchased from us, \$90 if you are using materials from outside.

"Unpatterns are road maps to get you from cast on to finishing without having to rely on someone else's instructions. Unpatterns help you put together a project the fun way: by falling in love with some yarn, taking measurements from a garment that fits you well, and creating a design that is uniquely yours." We will be using the Top Down Raglan Pattern, which sells for \$10.

Session 1 Planning Meeting: bring a garment whose measurements are those you want for your project. We will work on determining gauge, yardage, planning pattern variations, etc.

Session 2 Casting on and beginning/reading a pattern

Session 3 Check up and moving on to the next step

Session 4 Finishing, decide as a group if we will meet for a followup.
