

Block of the Month

Join us for our 2010 Block of the Month! Each month from January to September we will feature a different 14" square block using a variety of techniques including lace, cables, and colorwork. In October we will assemble the blocks, and in November we will add an edging. By the end of the year you will have a complete afghan for yourself or as a gift. This is a great way for beginners to learn new techniques, or for more advanced knitters to complete an interesting project.

We will meet once a month - you will receive a kit with the pattern and yarn, plus instruction in any new techniques. Our first meeting will be on January 16th at 10 AM OR January 29th at 5PM at our store, or on January 18th at 1 PM at La Tienda in Eldorado. You can also join us online - just email to lookingglassyarn@comcast.net or call (505) 995-9649 and we will send you the pattern and 2 full 100 gm skeins of yarn. Or, if you can't make the class any given month just stop by the store and pick up a kit.

Kits include Vintage Wool yarn by Berroco (50% wool, 50% acrylic, machine washable and SOFT) and a pattern. You may also upgrade to a kit that contains 100% machine washable Summit Hill merino from Kraemer for an additional \$10.00. Please select a color combination for your afghan prior to class. You will use the same colors throughout the year.

Basic kit (either picked up at store or at class) - \$15.00 (includes class if you can make it)

Upgrade to 100% merino - \$25.00

Shipping for online orders - \$8.95
