### Fun and Quick to Give

We have lots of wonderful yarns that just about knit themselves. Make a simple scarf by using big needles or hook and our back in stock recycled sari yarn and ribbon from Frabjous Fibers, novelty yarns, sparkly stuff from Great Adirondack and Artyarns, something luxurious like the cashmere scarf kits, big, bulky and warm with Cascade Baby Alpaca Chunky.

Use the self ruffling yarns to make a one skein scarf that's sure to impress.

Hats and fingerless mitts are also easy and fast and sure to please. Get Weekend Hats or one of our many new mitt patterns and make a few! Don't forget the one skein and gift books for ideas!
