

Holiday Group

Starting this Sunday

October 12, 2008

2:30-4:00

We have had several inquiries about the holiday workshop group. The concept is to lend support for finishing projects, whether in the form of encouragement, peer pressure or help with a specific technique. You can work on holiday gifts (or anything else) and get and share ideas. There will be a \$10 charge that can be applied to store merchandise. This will continue through December if there is an interest. We will meet every Sunday except the last Sunday of the month.
