October 2011

New!

Araucania: beautiful colors and fibers, including a camel blend

Rowan: British Sheep Breeds, an undyed yarn from different sheep fibers, a must for the purist; also Cashsoft DK for luxurious baby knits and more. Check out the books and magazines, too: the patterns are wonderful!

Hiya Hiya: now bamboo tips for the interchangeable needles; we have some to try with your sets, and bamboo sets are on the way.

Knit, Swirl is back after its first printing had been sold out. This is really a fun, clever, and flattering style. **60 Quick Knits** for Cascade 220 Sport is brand new and has lots of great small projects, great for gifts.

Classes

For the months of October, November and December, we will be offering mini classes featuring items appropriate for gifts. All classes are \$7 plus materials fee. **A more detailed list of materials needed available in the store and on the website**
