Basic Body Shaping Patterns \$30  
by Shari Hirst

Monday Sept 26 5-8 pm  
Shari has extensive knitting and teaching background and has developed a line of patterns using Mountain Colors yarns. Whether or not you wish to use these wonderful yarns for the class, you will learn a lot from this experience. You choose how complex or how basic a stitch you are comfortable with. Learn a couple of techniques that allow you to work from the top down, review the schematics in the patterns and see a variety of possibilities from the basic pattern; also learn some finishing techniques. Copies of the schematics will be provided; pattern packs can be purchased for \$5 each.  
Materials: size 8 needles, about 5 ounces each of two colors of worsted weight yarn.
